

# ROAD TRIP! MT AIRY

Mount Airy's uniqueness may come from its location – so close to so many Maryland counties – it gives off its own vibe. You can sense this in the stores of this Main Street community, as well. Whether you're looking for antiques at the **Den of Antiquity**, primitive wares at **Ben Gue's Gifts and Collectibles**, or things you hadn't thought of yet at **Retro Metro**, this town is filled with surprises. There's **The Hive**, which specializes in "eclectic vintage" and **Firehouse Pottery & Arts** for paint-your-own pottery. And for those who are thinking about insurance issues, Mount Airy makes a great place to visit, especially when you stop by **Browning Reagle Insurance Agency**.
